**Accelerated Logistics**  
**is a leading**  
**third-party logistics provider**  
**of multimodal transportation services**  
**that offers superior customer**  
**solutions through focus, flexibility**  
**and ease of doing business**

# Executive Summary

**More than 15 years of quality freight management lets our customers focus on what they do best**

- Accelerated Logistics is built on exceptional communication
- We care about your customers and freight as much as you do
- Let us grow with you – one call does it all!

# Comprehensive Service Offerings

**Providing solutions for all transportation needs throughout North America**

# Broad Network of Carriers

**More than 5,000 satisfactory DOT rated carriers on contract in North America**

- Trucks, refrigerated and dry
- Air, rail, flatbed, and specialized oversized hauling
- Long-haul and regional FTL and LTL service
- Multiple pickup and drop loads

# Superior Customer Service

## Knowledgeable support team delivers proactive customer solutions 24 hours a day, 365 days a year

- Trained to develop most cost effective and efficient means to transport freight
- No automated phone systems, saving our customers precious time
- EDI connectivity to our customers' portals

*“Accelerated has allowed us flexibility in our transportation needs by servicing our stores when demand has exceeded the ability to use our own trucks. They have competitive rates, and work well with short notice orders. In addition, their team has a vast knowledge of the industry, is courteous, and maintains a sharp focus on the needs of Ace Hardware, which makes our jobs easier.”*

- Shaun McFarland,  
Ace Hardware Freight Consolidation Manager

# Dedicated Team

## Support at all levels ensures consistent, superior service

- Management oversight provides point of elevation
- Dedicated Account Manager ensures customers' goals and objectives communicated at all levels
- Daily support team manages ongoing interactions with drivers and customer facilities
